FAM TRIP TO EDINBURGH

EDINBURGH

Scotland's Capital is sure to capture the imagination of your delegates. For centuries, Edinburgh has been a pioneering hub. A place for people to come together, to be inspired and to inspire each other. To make discoveries and to innovate. Today, our beautiful little city is Scotland's beating heart and Europe's 'Capital of Cool'. As the home of the Scottish enlightenment, it has been the birthplace of global inventions which have helped shaped our future.

It's been voted the UK's Top City at the Guardian Travel Awards for 13 consecutive years. It's a UNESCO World Heritage Site and the host of the world's largest annual arts festival. Plus, it's got more Michelin starred restaurants than any other Scottish city.

Edinburgh has four globally respected universities, which boast a wealth of combined talent. And from this talent our city has developed a thriving industry with particular strengths in science, business, education, medicine, finance and the arts. Choose Edinburgh for your next event and let the collaborative spirit and talent of our city enrich your event.
